

SPA GREATER MANCHESTER BRANCH

Thanks for looking up the Costco Link I have had a few queries on how to join so before going to the Costco page please read the message below:-

I will check this up with them and update this page but it looks to me as though you need to follow the process outlined on the PDF file.

To join Costco and start saving please provide your employee ID card or current payslip, PLUS a current utility bill (gas, telephone, electricity) or a bank statement addressed to your home

That seems to suggest you need to apply in person taking documentary evidence of your association with Shell – I suggest your SPA Membership Card or your latest Pension Advice form. You should also take some evidence of your address as outlined above.

Now to go to the link www.spa-manchester.org.uk/costcoa.pdf
